Daily Food

Feeding the vulnerable across Kasaragod, Cherkala, and Kanhangad, our initiative delivers fresh, warm breakfasts to those living on the streets. We aim to bridge the hunger gap and restore dignity, ensuring every neighbor starts their day with a shared act of compassion.

Our initiative delivers essential dry ration kits to struggling families in the rural and remote pockets of Kasaragod, Cherkala, and Kanhangad. By reaching underserved areas beyond urban centers, we provide food security and reliable meals to those living in isolation.

Food On Call

Acting as a lifeline for the remote interiors of Kasaragod, we deliver essential food support to isolated villages often overlooked by urban aid. By reaching the underserved outskirts far beyond main towns, we ensure that distance never stands in the way of nourishment and hope for struggling families.

100 Kit/Month

Our monthly mission delivers essential grocery kits to 100 vulnerable households in the remote rural interiors of Kasaragod. By reaching beyond urban centers, we provide a reliable food security safety net for isolated families who are often disconnected from city resources.

Celebrating Together

Excess Food Collection

We rescue high-quality surplus food from events like weddings and birthdays. Our team arrives promptly to collect unserved dishes, ensuring safety and freshness by transferring them into food-grade containers for immediate transport.

Packed Food Distribution

Collected food is organized into eco-friendly, ready-to-eat meal packets for quick distribution. We serve vulnerable individuals, shelters, and low-income families, sharing the joy of the original celebration with dignity.

Vehicle, Storage Facility

To ensure safety and hygiene, we use dedicated delivery vehicles and a refrigerated storage hub. This infrastructure allows us to manage large volumes of food efficiently, maintaining the perfect temperature for immediate or next-day distribution.

SMILE AND CARE

These services include providing food, shelter, clothing, medical care, education, and other forms of assistance to such as the homeless, low-income families, Orphanage , Oldage Homes Etc...

EDUCATION SUPPORT

Support education of students who are undertaking education in our institute who can't afford the education fees

Receiving the Partnership Award from District Collector Shri Imbashekhar, IAS

I LEAD STORE

I lead store : It is a great initiative for differently abled students to assist them in marketing their hand made products by creating an online platform

BLANKET DISTRIBUTION

Handing out essential blankets to those impacted by the seasonal chill. Committed to providing comfort and care to our neighbors through direct outreach and support.
